Sir,

Referring to G. O. No.3736-8-C.B.231-23-1, dated 15th June 1924, allowing Mr. S. Subba Rao to draw, during his deputation at Mysore, the several allowances amounting to Rs.325/- he was drawing in Bangalore, I have the honor to state that the effect of the order will be that, when Mr.Subba Rao draws all the allowances he was drawing in Bangalore, there will be nothing left for the Officers who were, in G.O.No.L.9424-5-Med.31-23-59, dated 2nd May 1924, ordered to do the several duties of Mr. Subba Rao in Bangalore.

I presume that it was not the intention of Government to deprive the officers actually doing the work, of the allowances attached to the respective duties, If that be so and if Mr.Subba Rao is also not to suffer in any way by his deputation, the present order under reference will have to be construed as granting to Mr. Subba Rao, as a special case, a deputation allowance equal to the sum of the allowances he was drawing at Bangalore, as opposed to those allowances themselves. I request that this may kindly be made clear and necessary intimation sent to the Comptroller, to avoid audit objections.
